

# ELIGIBILITY REQUIREMENTS FOR NOMINATION AND ACCEPTANCE INTO THE HALL OF FAME

The nominations and election of candidates shall be done by a committee of unidentified members appointed by the chairperson of the celebration. No one is eligible for consideration into membership of the TITUSVILLE HIGH SCHOOL ATHLETIC HALL OF FAME until he/she has been out of school for a minimum of fifteen years. Notice, this rule states, "out of school" and not "graduated from".

A person that is nominated for the Titusville High School Athletic Hall of Fame must:

- have played a varsity sport(s) or contributed GREATLY to the athletic program at Titusville High School. (Contributed GREATLY must be interpreted by each acting committee and could include outstanding work by a cheerleader, student manager, or alumni).
- have lived a life of benefit to society, since graduation, or since the time he/she left Titusville High School.
- have achieved a measure of success in his/her chosen profession, trade, business, or work. Financial success should be less important than this person's personal reputation among his fellow workers and friends.

Committees that choose these candidates and elect some to the Hall of Fame must remain at all times above reproach in their selections. The highest standards should be the only consideration when sitting on the committee.

Any member of the committee may place a candidate in nomination merely by requesting his/her name be placed on the ballot.

To be voted into the Hall of Fame a candidate on the ballot must receive two-thirds of the votes of the committee.

A candidate that is not voted into the Hall of Fame remains on the ballot for the next selection in five years. A candidate's name may be removed from the ballot only by two-thirds vote of the current committee.
