

Field Trips

MAIN STREET ELEMENTARY MAY & JUNE 2024 NEWSLETTER

Field Trip time is here!

We are ready for nice weather, track & field day and our field trips!

Most of our field trips take place outdoors, so please dress your students accordingly so they can be comfortable. Also, please remember to follow the school dress code during field trips and end-of-the-year activities (No spaghetti strap or crop top shirts! Please have them wear appropriate footwear for walking.)

Thank for your cooperation!

We would like to send a special thanks to our PTG for providing the t-shirts for our end-of-the-year activities!

Future Planning for the 2024-2025 School Year

As this school year winds down, I know that many students and parents are already planning ahead to next year. Elementary students have stolen my heart and I enjoy everyday I spend with our Main Street family! I can say we have great students! With that said, we also have great teachers and I am so proud of their work! I will work with the teachers over the summer to create homeroom class lists for August. My philosophy is to not accept parent requests for teachers. However, I am willing to listen to parents about their student's strengths and concerns as they move to the next grade level.

Homeroom class lists will be created after reviewing teacher input, student data from the CDT assessments, DIBELS and PSSAs. I appreciate your understanding and cooperation. These class assignments will be announced in August through our automated system, only after your student's back to school information is submitted online. Class lists will not be posted at the school or released without the back to school information submitted. I hope that our next few weeks are enjoyable and students can continue to grow academically and socially!
