Fun Days

This week we will be doing a few fun days like a popcorn/movie day, pen pal day, ice cream day, and track and field. We will do different activities for each of these days.

The students are finishing their animal research papers and will present them to the class. Make sure you ask your child about the animal they researched.

Pen Pals and Book Buddies

On Wednesday, we will be writing our last thank you note to our Book Buddies. It has been such a great program to have the students receive two free books every month!! I hope they have appreciated it!

We also have been writing back and forth with another second grade class at Main Street. They will be coming to our school on Wednesday to meet our class. It will be a fun experience!
