MANDATED SCHOOL HEALTH SERVICES

Every child of school age attending or who should attend a public or non-public school within the Commonwealth must be provided the following services from the local public school district. Via an Annual school health report, the local school district is reimbursed by the Pennsylvania Department of Health for provision of the mandated services.

SERVICE (who may perform)	K or 1	2	3	4	5	6	7	8	9	10	11	12	Special Education
Medical Examination (School or private physician)	X					X					X		As needed
